Finding Family

Dear Expectant Parents,

We're praying for you and what you're going through right now. We cannot imagine the gravity of all you are facing. However, we pray that Bethany will help you find your way - whatever path you take - and that you will find peace in your decision.

If you do decide to place your little one with us, we want you to know that we promise to love and cherish them with all our hearts. We promise to provide a safe, warm, fun, loving, and exciting place for them to grow and become all that they hope to be. We promise to surround them with family and friends who will genuinely love and support them. We promise to raise them knowing the love of Jesus and filling their heart with His Spirit.

We promise to maintain an open relationship with you, so that you can be involved with their growth and progress. We strongly believe that God's will is to build our family through adoption and we are committed to finding the little one that God has intended for us to parent.

We will continue to pray that you find the peace, love, and support that you need to make the decision that is best for you and your little one to have a happy and bright future.

With Sincere hearts,

Will & Adri

Will & Adri

Fate brought us together in the Spring of 1996. We found each other in college and were inseparable from the day we met. We dated until 2001, when we married in August of that year. We are each other's best friends and we grow stronger together every day. We look forward to raising a family together and sharing our love with a child.

## Will by Adri -

Will is the most sincere, kind-hearted, passionate, loving, generous, spiritual, and devoted man I have ever known. On our wedding day I surprised him with an inscription on his wedding ring that says "the best I ever met." I meant it when I told him that almost 10 years ago, and he proves it true more and more every day. I know without a doubt that Will is going to be the most amazing dad this world has ever seen.

## Adri by Will

Adri is the most kind-hearted, generous, and loving soul I have ever met. I knew soon after we began dating that she was the woman I wanted to marry and would be an amazing mother some day. She is genuinely concerned for the happiness and well-being of everyone in her life. Her smile and laughter are contagious. She strongly values family and adores children. I am continuously amazed, encouraged, and inspired by her and am indeed blessed that God has brought her into my life.

## Adri's Family

My family is extremely important to me. I was blessed through the adoption of a sister and she has greatly influenced my life.

I have two loving parents who have been married for more than 40 years. I have one older sister and one younger sister. My older sister has a son. My sisters and I are close and we try to spend as much time together as we can. We all still take annual family vacations to the beach!

My granny is 87 and is an integral part of my life. I thank God for the closeness of my family.

## Will's Family

I have a strong family with two loving parents and an older sister. My sister has two children; one boy and one girl.

Family traditions are strong and we spend every other holiday together. We love to pass the time together by playing cards, board games, and watching family slide shows. When we are together, we are always laughing.

My grandma turned 101 last year and is excited to be a great grand mother again! Everyone is over joyed to add another member to the family!

We love to travel. We enjoy going to places we've never been, learning about new cultures, tasting new foods, and meeting new people. We are always up for an adventure and love to explore.

One of our favorite travel memories is from our honeymoon in Hawaii. We both enjoyed learning about the island's cultural history and rich traditions. Their focus on family - ohana - embodies our life's journey and beliefs.

Our dogs are an important part of our family. Amelia is a Beagle mix who is 12 years old. She is gentle, peaceful, and loves to play. She is still a puppy at heart. Iliana is a Rat Terrier who is 10 years old. She is sweet yet confident and loves the covers! Her favorite spot is sleeping on the sofa. They are both great with kids, are very energetic, and love to play.

We love our home. We purchased this house a few years ago with the intentions of creating a family home! We love the open floor plan, the large yard for playing, the friendly neighborhood, and the proximity to the down town area all within a rural setting. There are two ponds in the neighborhood and a park with walking paths, giant swings, and an amphitheatre less than a mile from the house.

We are both thankful to have jobs that allow us to work from home.

Adri is an operations Manager and works from home Monday - Friday. Will is a Lead Database Administrator and works from home once per week. This flexibility is ideal for creating the close-knit family we desire.

Our home office is located upstairs and is tucked away from the daily activities of our household.

We're thankful we can close the door on work and focus on our lives and our family.

We were so excited to plan the baby's nursery. We're both colorful people who love the fun and whimsical side of things. We hoped the baby's nursery would be warm, welcoming, and soothing - all at the same time.

Will painted a piggy bank while Adri painted the canvas over the crib. We worked together to restore the changing table from an antique dresser given to us by a dear friend. Friends and family continue to bring gifts and help us prepare for the addition to our family.

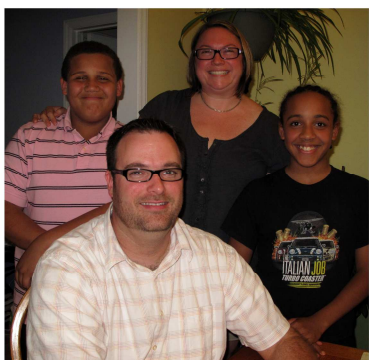

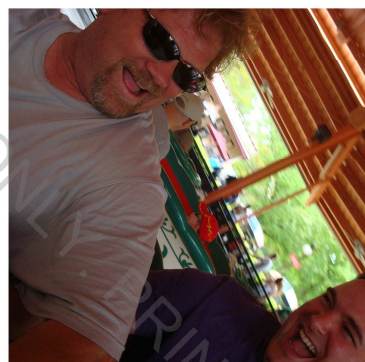

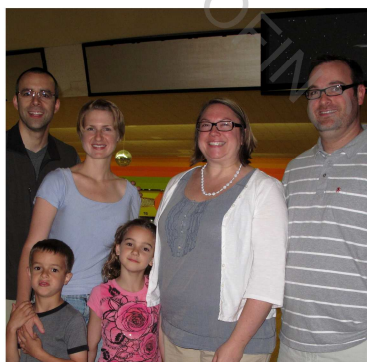

We are giant goof balls and we love to be silly. We are known for taking a "sleeping photo" - where we look like we're taking a nap in the middle of things - no matter where we are!

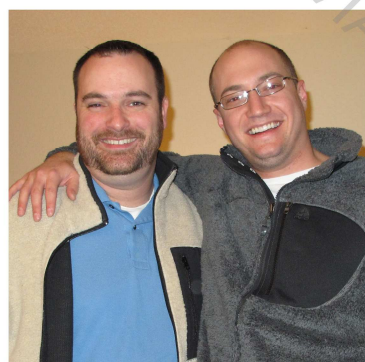

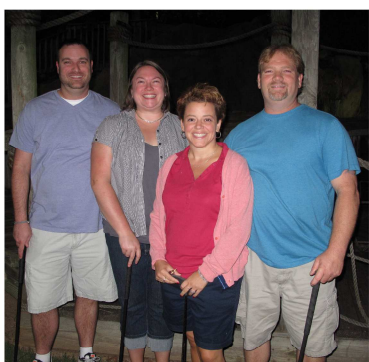

Our friends are very important to us. They've supported us through

the good and bad times, and will continue to walk this journey with us.

We are so blessed to have so many great friends in our lives!

We are both kids at heart. We love children and hope to build a large family. We look forward to sharing our fun loving nature with children and creating a warm and loving environment for them to call home.

We'll continue to pray that  
you find peace with the  
decision that's best  
for you and your  
little one.
